Why Rock-it Boards?

These simple wooden balance boards are now widely used in Early Childhood Education throughout NZ.

Great for Body and Brain, the boards support:

- ~ Open-ended & Cooperative play
- ~ Creation and Construction
- ~ Confidence and Joy in Movement
- ~ Balance and Coordination
- ~ Sensory integration
- ~ Having FUN!

"... the boards are a huge hit and are used in so many different ways: as bridges, slides, cradles, boats, and of course as balance equipment..."

Kindergarten parent Dunedin

riding a smile

Rock-it boards are:

- ~ Strong & Durable
- ~ Versatile & Mobile
- ~ Simple to stack & store
- ~ NZ made from natural non-toxic materials

Boards used as well in...

schools, special ed, therapy, home...

What the teachers say...

"...the children knew intrinsically how to use the boards and have used them in so many ways. Best buy ever!"

Karen Hubbard ABC Napier Central

"... Children from crawlers and toddlers through to 5 year olds find ways to challenge their balance and agility... they are so versatile...children and staff enjoy using them... we thoroughly recommend them to all early childhood services. A fabulous invention!"

Kay Harland Supervisor Otatara Children Centre

Recommended use: Indoors or outside in dry conditions.
Not recommended on abrasive surfaces such as concrete.
